2nd Annual Altec-UES University of Utah Burn Center Charity Golf Outing

April 12, 2012

Dear Participant,

On behalf of the Altec-UES Charity Golf Outing, and the 21st Annual IBEW Utah Lineman Rodeo, we hope you will join us this year for our second shot at a great golf event. It will be another great day of fellowship, networking and most importantly, an opportunity to support a very important cause, **The University of Utah Burn Center Burn Camp!**

This year we will be dedicating the tournament to the memory of a great and devoted Utah Lineman and avid supporter of the Burn Center, William J. "Doc" Weaver. Doc was at the inaugural event last year, and those of you that knew him well, know he would come back and play again if he could!

Last year's tournament raised $6000, and combined with the lineman's rodeo we all helped to raise over $23,000 for the Burn Center! Everyone is welcome, so please come join us.

This year's event will again take place at the finest public golf course in Utah, **The Old Mill**. The tournament is on Friday June 1st beginning at 7:30am shotgun start.

Included in this package is a registration form. Please fill it out and submit as indicated. Tournament rules and other items will be available the day of the event. Thanks for your support!

Feel free to contact us if you have any questions.

Golf-cerely,

Travis Acord

University of Utah Burn Center Burn Camp

The Burn Center Camp is part of a process to help burn survivors to renew their spirit and assist them in what can be a long and painful healing process. Our support for the Burn Camp means there will be more money available to run their valuable programs like Camp Nah Nah Mah, River Rafting events, and Adult Camp Retreat. The Burn Camp Programs are a vital part of the recovery process and the BC Team is excited to have all of us assist them in raising money to make their programs even more successful!
